Dear Parents and Students,

We are very pleased to announce that we are having our third year of the after school Lacrosse Program. Over the next couple of weeks, the students will have the opportunity to practice various skills of a "**soft lacrosse**" unit during their PE resource class. This adaptation of the sport allows for students to participate safely without extra protective equipment. We are offering this program to the 1st through 6th grade students. **If we have enough space availability, we may open it up to the kindergartners if a parent can be present.**

To further the student's knowledge, skills, and enjoyment of this increasingly popular and growing sport, we will be offering a 7 week after school lacrosse program. This will be open to the 1st-6th grade students. We will be assisted by the Fleming Island High School girls and boys lacrosse team members and their high school coach. They will be a great asset to your child!

For your child to participate, they will need to be able to attend **each** of the following Wednesday sessions from 2:50-3:40. **Pick up is NO later than 3:50.**

Sessions: Oct. 18th, 25th, Nov. 1st, 8th, 15th, 29th, & Dec. 6th

To receive text messages about cancellation, please sign up by texting to the following:

TEXT TO: 81010 and in message bar type: @peslaxteam

At this time, there is availability for only 80 students. **Sign up now** so that your child may have a spot in the program. If more equipment becomes available, we will add students to the program. All students are expected to have exceptional behavior while at LAX club. If a discipline issue arises, they will be replaced with a student on the waiting list.
